Company & Artists

Lauret Studio is an exclusive artistic silverware. This is produced by French Goldsmiths, an art almost extinct in the world.

The artists behind this imperial creations are:

Richard Lauret, artist/designer. Today he expands his universe at large scale with both indoor and outdoor designs, furniture, lighting and sculptures,

Jean-Charles Maina and Christian Jaccard are both sculptors.

Then many small craftsmen: EPV, “Enterprise Patrimoine Vivant French label of excellence. Especially “the” silversmiths, graduated from the Ecole Boulle, one of them MOF “Meilleur Ouvrier de France”.

Far more than just silverware, the collection are the fruit of encounters between men and women of passion. Artists and craftsmen of great talents.
